

PICKLEBALL OFFICERS MEETING MINUTES

January 22, 2013

Present: Don Blasberg, Marian Gallagher, Nancy Hunt, Ross Baglio
Bill Scott (tournament director)

Meeting was called to order at 4:30 PM

1. **Financial Report:** Marian gave a financial report: Balance to date is \$2273.74
2. **Possible 2013 Expenses:**
 - a. Balls - current supply should last 10 - 12 months, probably one ball expenditure per year.
 - b. Net - we could probably use a spare net. Bill Scott will research the cost and research repairing the net that is coming unstitched.
 - c. Batteries for score clocks & remotes - the supply we have will be sufficient for now.
 - d. Party - last year cost was \$319.00 - could be less if we assign people to bring paper products, condiments, and "produce"--will try for two parties this year.
 - e. Reserve fund: should we start saving for a possible court repair the future? Undecided.
 - f. Trophies - We will order trophies for the annual party and tournament.
 - g. Chair Cushions should be replaced with waterproof cushions-To do.
 - h. Extra Storage box - to keep the score sheets, first aid kit, clipboards unlocked for easier access. Officers decided to buy one.
3. **February Drop-in Tournament:** Keep the same format with a few changes - A matched with B player, double elimination...changes: rally scoring to 11, win by 2. Don will send an email to the club about the format.
4. **April Drop-in:** Crazy 6 - 3 on 3, rotate on side out-like volley ball, rally scoring, mixed rating players in team makeup.
5. **Blocked off practice time:** Voted not to block off anymore scheduled practice time - Officers felt it was not necessary at this time.
6. **Tee-shirts:** Ross will manage the shirts this year and will get information on styles and costs with possible embroidery.
7. **Senior Games:** Decided to hold an informational meeting for members who might like to attend the SC Senior games in Florence. Don will send an email to the club.

Respectfully submitted,

Nancy Hunt, Secretary
